

C.S. LEWIS: REVELATION & THE CHRIST

C.S. Lewis: Revelation and the Christ is a series of books by P.H. Brazier that have a common theme: the understanding of Christ, and therefore the revelation of God, in the work of C.S. Lewis. As such this is a key to his theology and philosophy, and in many ways all his work.

These books are a systematic study of Lewis's theology, Christology and doctrine of revelation; as such they draw on his life and work. They are written for academics and students, but also, crucially, for those people, ordinary Christians, without a theology degree who enjoy and gain sustenance from reading Lewis's work.

The series, *C.S. Lewis: Revelation and the Christ* consists of four books—

Book One

C.S. Lewis—Revelation, Conversion, and Apologetics

Book Two

C.S. Lewis—The Work of Christ Revealed

Book Three (Books 3.1 and 3.2)

C.S. Lewis—On the Christ of a Religious Economy

Book Three will be published in two parts

C.S. Lewis—On The Christ of a Religious Economy.
I. Creation and Sub-Creation

C.S. Lewis—On The Christ of a Religious Economy.
II. Knowing Salvation

A fourth volume, consisting of an in-depth bibliography, with an introductory essay on Christology as the study of Christ, a glossary and guide, completes the series :

Book Four

C.S. Lewis—An Annotated Bibliography and Resource

Book 1, Book 2, Book 3.1, and Book 4 are available now, in paperback and in Kindle (Amazon)/eBook formats.

Book 3.2 will be published Winter 2013-14.

All books are published by **Wipf and Stock**,
in the *Pickwick Publications* imprint.

BOOK 1

“Comments and publications on C.S. Lewis have become increasingly sterile since his death in 1963—mere footnotes to the champion of ‘mere Christianity.’ So what a joy it is to find, as we do in this first volume of Paul Brazier’s painstaking study of Lewis’s thought, a genuine work of scholarship that is not only worthy of the great man but also provides for us what Lewis never did himself: a systematic philosophical theology of his religious method and beliefs.”

DR. ANDREW WALKER
*Emeritus Professor of Theology, Religion, and Culture,
King’s College London*

BOOK 2

P.H. Brazier’s comprehensive study details Lewis’s Christology, revealing that what Lewis thought about Christ was what he thought about everything. This insightful, thorough, learned exposition of the quintessence of Lewisian theology also suggests a reading of his fiction and literary theory, bringing readers back to Lewis’s oeuvre again and again.”

SORINA HIGGINS
Adjunct Faculty Member in English, Penn State Lehigh Valley

BOOK 3.1

“In this truly wonderful book, Brazier . . . shows us how Lewis, a gifted storyteller, was able to appropriate the Hebrew creation account as a symbolic telling of a fundamental truth about the human condition. In the process, the reader is shown how classical Christian orthodoxy is upheld . . . A pleasure to read for theologians and literary aesthetes alike.”

—PROF. GERALD L. BRAY
*Research Professor of Divinity,
Beeson Divinity School*

The Jews, Modern Israel and the New Supersessionism— New Revised and Expanded Edition

Calvin L. Smith (editor)

This book explores the relationship between the Jewish people, the Church and Israel from biblical times to the present. Fifteen essays from contributors with published work in the field provide readers with a careful and objective examination of the issue from various perspectives, at a time when the debate surrounding the relationship between the Church and Israel raging within Evangelicalism is increasingly polemical and polarised.

Reactions to the First Edition—

A large portion of the word of God in the Old Testament is being misinterpreted or deliberately avoided by those who have adopted the teaching that the Christian Church has replaced Israel and that the ancient promises made by God to Abraham, Isaac, Jacob and David are now passé.

—WALTER C. KAISER, JR., GORDON CONWELL THEOLOGICAL SEMINARY

It is refreshing to see a biblically grounded presentation of God's faithfulness to Israel that affirms the gospel for the Jewish people and the idea that God will keep his promises to Israel.

—DARRELL L. BOCK, DALLAS THEOLOGICAL SEMINARY

The book will strike a strong note in response to growing supersessionist influences regarding God's promises to Abraham and his descendants.

—ROBERT L. THOMAS, THE MASTER'S SEMINARY

The articles in this book... seek to answer biblically some of the oldest heresies in the Church. I warmly commend this book and pray that it will be widely read.

- DAVID TORRANCE, RETIRED CHURCH OF SCOTLAND MINISTER AND AUTHOR

Essays by—

Calvin L. Smith; Colin Barnes; Brian Brewer; Andy Cheung;
Ronald E. Diprose; Richard Gibson; Mitch Glaser; Barry E. Horner;
Steve Maltz; Tony Pearce; Jacob Prasch; Howard Taylor;
Stephen M. Vantassel and Paul Wilkinson
